Would you like to: Make more money in your private practice? Attract more ideal clients? Generate a flow of quality referrals? Revitalize your existing practice? Have increased confidence as a business owner? In this book, psychotherapist and business coach Lynn Grodzki acts as your personal business coach and shows you how to build an ideal private practice—one that is both highly profitable and personally satisfying. Today, being a talented professional is not enough to ensure the success of your private practice; you also need to be an enthusiastic, talented businessperson. Grodzki's business strategies are effective and immediately useful for a wide range of private practitioners, including social workers, psychologists, psychiatrists, massage therapists, energy healers, life coaches, and chiropractors. Whether you are just starting out as an independent practitioner or looking to revitalize an existing practice, Building Your Ideal Private Practice provides a foundation for business and personal growth that will lead you to a new level of personal and financial enrichment. Presenting innovative business concepts in a format specifically adapted for the therapeutic profession, this book guides professionals at all stages of their careers.

Bringing together years of experience and the key elements from her Private Practice Success Program with an easy and accessible writing style, Grodzki's book will help you not only build a successful practice outside managed care, but also ensure that your business reflects your true values and talents.
